Encyclopedia of Prostitution and Sex Work [Two Volumes]

Melissa Hope Ditmore

Description

The cliché is that prostitution is the oldest profession. Isn't it time that the subject received a full reference treatment? This major 2-volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival. The A-to-Z encyclopedia offers wide-ranging entries related to prostitution and the sex industry, past and present, both worldwide (mostly in the West) and in the United States. The topic of prostitution has high-interest appeal across disciplines, and the narrative entries illuminate literature, art, law, medicine, economics, politics, women's studies, religion, sociology, sexuality, film, popular culture, public health, nonfiction, American and world history, business, gender, media, education, crime, race, technology, performing arts, family, social work, social mores, pornography, the military, tourism, child labor, and more. It is targeted to the general reader, who will gain useful insight into the human race through time via its sex industry and prostitution.

Author Information:

MELISSA HOPE DITMORE is the coordinator and founder of the Trafficked Persons Rights Project, a consultant on trafficking, and a Research Fellow at the Center for the Study of Women and Society, Graduate Center of the City University of New York.
